Hello and welcome to the 2015 City of Scottsdale Summer Recreational Dive Team! We are looking forward to an exciting summer of diving and fun! We have a great season planned and, with your involvement, it can only get better.

The City of Scottsdale Recreational Dive Team provides your child with the opportunity to thrive in a non-threatening environment, practice their diving skills, build self-esteem, make friends, and get physically fit.

The 2015 season is packed with fun activities that we hope you and your family will take advantage of. Ski Pro will be on-site during the second week of practice to assist you with team suit fitting and orders. Swim accessories such as dive shammies will also be available for purchase during this time. "It's U Photography" will be on site during the third week of practice to take team and individual pictures. These pictures are a great way for you to keep the memory of your child's summer dive team experience.

Daily practices, weekly meets, collaborating with teammates, learning self-discipline, and working towards new goals are just some of the aspects of being a member of this team. Getting involved will make your summer dive team experience that much more worthwhile.

Good luck this summer and we look forward to meeting you and your family!

Have a safe and fun summer!

## **Welcome to Recreational Diving**

The City of Scottsdale Summer Recreational Dive Team is organized to serve the recreational needs and develop the potential of young athletes who are interested in furthering their diving abilities. Divers will enhance physical coordination and fitness through consistent practice and training while developing proper diving skills. Practicing with the same group of divers everyday will encourage team spirit and gradual improvement will inspire higher self-esteem with each individual member.

Recreational teams are designed to be faster paced and have a larger number of participants than our learn-to-dive lessons. The Recreational Dive Team program is not intended to take the place of dive lessons but rather build on those skills already learned in classes.

Family participation is highly encouraged and always appreciated at meets and is an integral part of the Recreational Dive Team experience. Family members may become supportive spectators, volunteer to help score, or help conduct various activities with the assistance of the dive coordinator.

## **Our Goal**

It is the goal of the Recreational Dive Team program to enhance present abilities and encourage young athletes to gain additional skills throughout the course of the summer. Each diver will be taught the basics of recreational diving while participating in rigorous and organized practices. The participants will also learn sportsmanship, self-discipline, and fitness from regular training and competitions. Each diver will gain a skill that has life-long benefits such as obtaining an understanding of the pride that comes with accomplishment, and learning the value of being part of a team.

## Getting Started

Divers must be able to demonstrate a three-step forward approach and hurdle, back press, forward jump, back jump, forward dive, and back dive.

**Any diver participating in practices or competitions with any other team shall not participate in the recreational league meets.**

**Divers must be a minimum of 6 years of age to participate on the Recreational Dive Team.** Age for dive meets shall be determined by the age of the participant on the first day of practice (June 1, 2015).

The following are the age groups for dive meets:

\*8 & under              \*9-11              \*12 and older

In the event that a participant is not ready for the recreational team, arrangements can be made to place him or her in a more appropriate level.

**No child shall swim without registration fees paid in full.** Registration fee for residents is \$105 and \$158 for non-residents. All program refunds shall be prorated up to and including the 2<sup>nd</sup> class. **There will be no refunds after the 2<sup>nd</sup> class date.**

## Dive Meets

There are four different types of meets throughout the season: Dual Meets, 3 Meter Meets, intersquad meets and the City Championship Meet. Each of the different types of meets is outlined below. **In the event of bad weather, meets will not be re-scheduled.**

### **Dual Meets:**

These meets involve diving with another City of Scottsdale Team. These meets are scored. Ribbons will be given out for 1<sup>st</sup> through 8<sup>th</sup> place for each age group.

### **Dual Meet Rules and Guidelines**

- ✗ City of Scottsdale meets will be held on Tuesday evenings with warm-up beginning at 6:00 pm. Individual age groups will get 25 minutes of warm-up before their event. See Diving Scheduled for detailed age group start times.
- ✗ Ribbons are awarded for the age group during the following group's warm-up.
- ✗ Some age groups will dive at the same time. This will be determined on site by the Dive Coordinator and will be based on the number of divers in each age group present at the meet. (Judging and subsequent awards will be conducted according to age and gender).

- ✗ A dive with a 1/4 twist short or 1/4 twist over the written number of twists will be judged as an incorrect dive. This will be determined by the position of the diver's shoulders upon entry into the water.
- ✗ A two-point deduction will be assessed by the judges for balks (stopping on the diving board at any point during the execution of the dive).
- ✗ A two-point deduction will be assessed by the judges for arms up (Arms over the head) for any feet first entries; however this does not include front or back jumps.
- ✗ Divers must exhibit good sportsmanship when other divers are diving. Any participant involved in distracting behavior will be warned and may be disqualified from the meet.
- ✗ Divers may change dives on the board.
- ✗ Divers must complete dives from different groups (which include: front, back, reverse, inward, and twisting), not positions (which include; tuck, pike, straight). For example, if the meet requires 3 optional dives, doing a front dive straight, front dive tuck, and front dive pike is not allowed because they are all from the same group just different positions. The 3 optionals could include: Front jump, back jump, forward dive. If there are additional questions, please see a coach or contact the Diving Coordinator for clarification.

### **Intersquad Meets:**

These meets will only involve one pool's dive team competing against each other. Each diver will be scored on the dives that were focused on during that week's practice. General dive meet guidelines will apply for intersquad meets.

### **3 Meter Meets:**

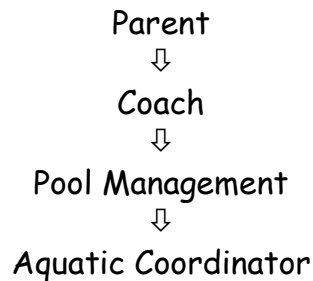

These meets are **only for the 10-11 age group and 12 and over age group**. The same rules apply for the 3 Meter meet as the dual meets and intersquad meets.

### **The Scottsdale City Championship Dive Meet**

This meet will be run like a standard dive meet. All Recreational Dive teams will dive on Saturday, July 25<sup>th</sup> at Cactus Aquatic and Fitness Center (7202 E. Cactus Rd). Warm-ups start at 8:00am, meets starts at 8:30am. See attached flyer for additional details.

## **Recreation Swim and Dive Code of Conduct**

The essential elements of character-building and ethics in sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship. The highest potential of sports is achieved when competition reflects these "six pillars of character."

I therefore agree:

1. I will not force my child to participate in sports.
2. I will remember that children participate to have fun and that the game is for youth, not adults.
3. I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
4. I will learn the rules of the game and the policies of the league.
5. I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice or other sporting event.
6. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting; refusing to shake hands; or using profane language or gestures.
7. I will not encourage any behaviors or practices that would endanger the health and wellbeing of the athletes.
8. I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
9. I will demand that my child treat other players, coaches, officials and spectators with respect regardless of race, creed, color, sex or ability.
10. I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.
11. I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time.
12. I will never ridicule or yell at my child or other participant for making a mistake or losing a competition.
13. I will emphasize skill development and practices and how they benefit my child over winning. I will also deemphasize games and competition in the lower age groups.
14. I will promote the emotional and physical well-being of the athletes ahead of any personal desire I may have for my child to win.
15. I will respect the officials and their authority during games and will never question, discuss, or confront coaches at the game field/deck, and will take time to speak with coaches at an agreed upon time and place.
16. I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol and I will refrain from their use at all sports events.
17. I will refrain from coaching my child or other players during games and practices, unless I am one of the official coaches of the team.

I also agree that if I fail to abide by the aforementioned rules and guidelines, I will be subject to disciplinary action that could include, but is not limited to the following:

- ☐ Verbal warning by official, head coach, and/or head of league organization
- ☐ Written warning
- ☐ Parental game suspension with written documentation of incident kept on file by organizations involved
- ☐ Parental season suspension
